

FCRF Hackathon

Certificate of Participation

This is to certify that

has successfully participated in the **FCRF Hackathon 2026** and demonstrated active engagement in challenge-based learning focused on cybercrime investigation, digital forensics, AI-related threats, cyber incident analysis, and emerging technology-enabled crime scenarios. We appreciate the participant's enthusiasm, analytical effort, and commitment to building practical problem-solving skills for a safer digital future.

Prof. Triveni Singh, Ex-IPS

Chief Mentor, FCRF
